Psychiatry in Law / Law in Psychiatry

Second Edition

Ralph Slovenko, Wayne State University,
Detroit, USA

"A veritable tour de force. Every forensic psychiatric topic is covered and made easily understandable, no matter how complicated. A must read for every aspiring forensic mental

health professional." - Abraham. L. Halpern, Professor Emeritus of Psychiatry, New York Medical College, Valhalla, USA; Past President of American Academy of Psychiatry and the Law

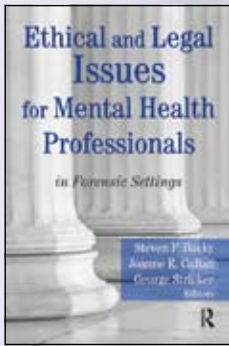

"Dr. Slovenko is truly one of the eminent leaders in the field that he characterizes as "The Intermix of Psychiatry and Law." His most recent publication of Psychiatry in Law/Law in Psychiatry, 2nd Edition, is encyclopedic in its comprehensiveness, thoroughness, and magnitude. It is a cutting-edge reference text, easy-to-read, and a most informative source of relevant information, presented in the lucid, common-sense manner, so characteristic of the author. Every lawyer and forensic psychiatrist should own this book, and refer to it frequently." - Eric W. Fine, MD, MRCPsych (London), Associate Professor of Psychiatry and Human Behavior, Thomas Jefferson Medical College, Philadelphia, PA
