

Editors' Statement of Concern

We note our concern with respect to the Article “The unconscious unfolding of emotions” <http://www.tandfonline.com/doi/abs/10.1080/10463280903119060> by Kirsten I. Ruys & Diederik A. Stapel. We note that on 31 October 2011, Tilburg University released interim findings of its investigation into apparent data fraud in works published by Diederik Stapel

INTERIM REPORT REGARDING THE BREACH OF SCIENTIFIC INTEGRITY COMMITTED BY PROF. D.A. STAPEL

<http://www.tilburguniversity.edu/nl/nieuws-en-agenda/commissie-levelt/interim-report.pdf>

Pending the conclusion the investigation, *European Review of Social Psychology* is publishing this Editors' Statement of Concern about the validity of data reported in this Article.
